

### A message from your Councilmember, *Smokey Davis*:

*It is an honor to serve as your Council representative. I have always had a good pipeline of information from my constituents to keep me informed so that I am able to better serve you. I continue to look forward to making Lexington County the place we are proud to call home.*

Sincerely,

*Smokey*

### Council Continues to Discuss Smoking Ban

I currently support the smoking ban ordinance as it was passed on May 26 because of the strong majority of constituents that have contacted me. I look forward to anyone who is interested in attending the June 9 public hearing. The public hearing will be at 6:00 p.m. in Council Chambers at the County Administration Building.

### Lexington County Scenic Corridors

This is something new for the county that is part of the Landscape Ordinance. We have recognized various roads in the County that we intend to protect. If you are interested in your road being considered a scenic corridor, please review the information below and give me a call at 359-9660.

### Working on the Budget

Council has worked over the past two months on the upcoming FY 2009-2010 budget. It has been very difficult as we have had to make across the board cuts in all departments within the County. The proposed budget that Council is considering does not include a tax increase for the citizens in my district. It is also important to note that the budget does not include a pay raise for county employees.

### Corley Mill Fire Station Opens

After many years of anticipation, we held the grand opening of the new Corley Mill Fire Station located at 121 Riverchase Way off Corley Mill Road in April. The new fire station will offer a great service, lower insurance costs and provide safety to the community
