

Pine Street Paving

Town of South Congaree

Requesting Agency: Town of South Congaree

CDBG Request: \$140,000

Additional Funds Pledged Toward Project: \$0

Total Project Investment: \$140,000

Project Description:

The Town is requesting CDBG funds to pave a dirt road, Pine Street, located in the Town but maintained by Lexington County. The surrounding streets in this area have been paved for several years. This portion was left unpaved because property owners at that time did not agree to required easements necessary for construction. Current residents have indicated they would provide easements and would like to have the road paved. The project would be an improvement for the entire community and would provide a safe, dependable road surface in this area and improve conditions for emergency vehicles, buses and other traffic. The project will include acquisition of easements, paving 420 feet, engineering, and administration costs.

Capacity to Undertake Project: Good; Will use CMCOG for Administration

Priority: High; Addresses Number 1 and 2 Priorities

Priority Need(s) Addressed: Ensure adequate and dependable public facilities are available to provide for basic and essential needs and services. Ensure adequate and safe infrastructure to meet basic needs of residents.

Other Needs Addressed: Improved emergency response; Public safety

Council District: 5

Council Representative: Bobby Keisler
