

How to Pay Taxes Online

- To pay a Tax Bill online, a Bill Number is **REQUIRED**. The Bill Number is located at the top of your tax bill.
- If you do not have your Tax Bill Number, you can find it by using the Property Tax - Data Search.
- The system will only allow you to pay one tax bill at a time.

To process a payment through SC.GOV **requires** that the Name and Address associated with the credit card or debit card be provided. You are not required to provide a phone number, email address or a fax number - these are optional fields. If you provide an email address, you will receive a confirmation email when the SC.GOV transaction is complete.
